## Vanderburgh Community Foundation Community Scholarship Program

The Vanderburgh Community Foundation (VCF) administers separate scholarship funds established by individuals, families, corporations, and organizations to assist local students in pursuit of advanced education.

Eligibility requirements and selection criteria are determined by donors. Each scholarship is unique and supports students with a variety of backgrounds. Awards are made without discrimination and are based on a competitive process taking into consideration a variety of information which may include academic achievement, extracurricular activities, personal aspirations, educational goals, and financial need.

We have composed a partial list of scholarships in this document. Please click on this link to see the complete list and detailed qualifications for each scholarship https://www.communityfoundationalliance.org/vanderburgh/scholarships/opportunities/.

*The deadline for ALL scholarships is February 8, 2017.*
