

# Junior Sophomore Freshman *Bulletin*

March 8, 2019

FROM SIGNATURE SCHOOL STUDENT SERVICES

This bulletin is designed to help Signature School 9<sup>th</sup>-11<sup>th</sup> grade students navigate the many opportunities for educational, personal, and cultural growth. You will find there are many activities and information listed, from opportunities for scholarships to announcements of meetings and important dates that will aid in preparing you for your upcoming college process. We hope you find this helpful and that it makes your steps toward college easier and more fulfilling.

## College Prep Scholars Program

The College Prep Scholars Program equips high-achieving high school juniors from low-income backgrounds with the knowledge, confidence, and resources to apply to top colleges.

Why apply as a junior? Being a College Prep Scholar is a notable distinction that shows you are a competitive candidate for admission. As a College Prep Scholar, you will receive exclusive awards and opportunities to develop a strong college application that shares your unique story. Applications due on March 20, 2019.

For more info: <https://www.questbridge.org/high-school-students/college-prep-scholars>

WashU Pre-College Programs: The Sam Fox School of Design & Visual Arts offers top-ranking programs within a world-renowned academic and research institution. You'll experience college-level courses and studio culture and explore the dynamic art and design scene in St. Louis. Find more information at <http://samfoxschool.wustl.edu/precollege>.

WashU's High School Summer Scholars Program is perfect for self-motivated, adventurous students who want to take their education to the next level. Students must be sophomores or juniors, with an academic average of a B+ or better. Visit [summerexperiences.wustl.edu](http://summerexperiences.wustl.edu) for more information. **Deadline is April 1, 2019.**

Junior Visit Days: March 18, 22, 25, and 27

Current high school juniors are invited to tour campus, speak to students about life at Kenyon, and hear presentations about the admissions process and financial aid.

The University of Evansville presents

# ENGINEERING OPTIONS

For High School Girls

The College of Engineering and Computer Science will host its annual UE Engineering OPTIONS Summer Camp for High School Girls June 9-14. Participants in the Engineering OPTIONS programs will have a better understanding of what types of opportunities are available in fields most closely related to science, technology, engineering, and mathematics (STEM).

More detailed information for the camp can be found online

at: <https://www.evansville.edu/options/hsGirls.cfm>. Online registration is also available.

Application deadline is April 1, 2019.

## Smith College

Summer programs at Smith offer intellectually stimulating and unique opportunities for high school young women entering grades 9, 10, 11, 12 in fall 2019. Applications are evaluated on a rolling basis until programs are filled. The early decision deadline is March 1, 2019; final deadline is May 1, 2019. Programs are closed once they reach capacity. For more information visit <https://www.smith.edu/academics/precollege-programs/our->

Get a head start on college with **Johns Hopkins** summer programs. They offer one, two, and five-week classes. For more information visit <https://summerprograms.jhu.edu/>.

**INSpace Camp** introduces a new approach toward STEM education. Students explore new vehicles, suits, food, technology, and opportunities that the commercial space industry is creating. Every day of this five-day camp is packed with hands-on projects that include flying in aircraft, developing payloads for an edge of space launch, creating satellites and more. Click [here](#) to register and to learn more about the program.

### **Academy Day**

**Hosted by: Larry Bucshon, MD**

Learn more about the United States Service Academies, the application process, congressional nominations, and the everyday life of a Service Academy Cadet.

**When:** Saturday, April 27, 2019

**Where:** Vincennes University – Gibson County Center

**For more information:**

<https://bucshon.house.gov/constituent-services/military-academy-nominations.htm>

UNIVERSITY OF  
NOTRE DAME

### **Summer Scholars**

**Program Date: June 22 - July 6, 2019**

Summer Scholars participants spend two intense weeks in one of 21 exciting programs of study. The classes are small and offer personal attention from Notre Dame faculty. The coursework is a true preview of college academics, and students earn one college credit upon the completion of a program track. More info available here <https://precollege.nd.edu/summer-scholars/>.

**Decisions will be released week of April 15, 2019!**

**Cornell University's** Summer College is one of the nation's longest running and most highly regarded precollege academic programs. It brings more than 1,500 academically talented high school sophomores, juniors, and seniors from around the world to the Cornell campus in Ithaca, New York, each summer for three- and six-week programs. This summer, Cornell will offer programs between June 22 and August 6 in a variety of subjects, ranging from architecture, business, hospitality, and engineering to international relations, science, social change, and veterinary medicine—and many more. For more information visit: <https://sce.cornell.edu/precollege/summer-college>

## ROSE-HULMAN INSTITUTE OF TECHNOLOGY

Project SELECT is an immersive, hands-on science and engineering camp for high school students during the summer between their sophomore and junior years. Project SELECT will take place June 23-29, 2019, on Rose-Hulman's campus. Rose-Hulman professors will mentor students in specially-designed programs and with projects showcasing how science and engineering can solve demanding problems. Admission is selective, and spots are limited. Click [here](#) to learn more.

### *New York University's*

varied array of high school programs provide rising juniors and seniors the opportunity to spend their summer at NYU. Summer 2019 Precollege program runs from July 7-August 16. Application deadline is April 1. Visit [nyu.edu/precollege](http://nyu.edu/precollege) for more information. Visit [nyu.edu/highschool](http://nyu.edu/highschool) for even more high school programs offered at NYU.

### **U.S. Space & Rocket Center- Advanced Space Academy**

Please follow link for more information about Advanced Space Academy [www.spacecamp.com/space/advancedacademy](http://www.spacecamp.com/space/advancedacademy) For tips and FAQs about the scholarship application, visit [www.spacecamp.com/help/faq/scholarship](http://www.spacecamp.com/help/faq/scholarship).

### **Summer Language Program**

The Indiana University Center for International Business Education and Research (IU CIBER) is offering a two-week program for high school sophomores, juniors, and seniors interested in experiencing the intersection of business, language, and culture.

Application deadline: April 10, 2019.  
Visit [go.iu.edu/6bw](http://go.iu.edu/6bw) for more info.

**MEET Kelley** is a one-week, pre-college summer program for promising high school students from underrepresented groups. Participants attend classes taught by Kelley faculty, collaborate with fellow students to present a business case, and build relationships with Kelley students and staff. Enrollment is completely **FREE**. Applications are due by April 15. Click [here](#) for more information and to apply.

### **University of Dayton**

The University of Dayton is offering summer engineering, entrepreneurship, and leadership programs for high school students. Click on the following for more information: [Engineering](#), [Entrepreneurship](#), and [Leadership](#).

## DAVIDSON

Davidson College is offering a "Dive into College" experience in July for high school juniors and seniors. Final deadline is April 1, 2019. Visit <https://www.davidson.edu/offices/july-experience> to learn more.

**Furman University's** Summer Scholars weeklong academic enrichment program for rising high school juniors and seniors offers opportunities to study under the direction of Furman faculty members. Summer Scholars' challenging academic experience will include lectures, class discussion, debates, service learning, field trips, group and individual projects, and other activities. Deadline to apply is May 1. For more information click [here](#).

### **JUNIORS! Don't forget to sign-up for the SAT and/or the ACT**

**Note:** Colleges/universities require SAT or ACT scores to be on file by a certain date for admissions and/or scholarship consideration. Be sure to check with all prospective schools individually and note their deadlines.
