

# Signature School

## Junior Sophomore Freshman *Bulletin*

April 5, 2019

FROM SIGNATURE SCHOOL STUDENT SERVICES

This bulletin is designed to help Signature School 9<sup>th</sup>-11<sup>th</sup> grade students navigate the many opportunities for educational, personal, and cultural growth. You will find there are many activities and information listed, from opportunities for scholarships to announcements of meetings and important dates that will aid in preparing you for your upcoming college process. We hope you find this helpful and that it makes your steps toward college easier and more fulfilling.

Do you have an idea to make Evansville more fun and exciting? Compete for one of four \$1,000 prizes and a chance to pitch your idea for us to \$10,000 in funding on WNIN in a "Shark-Tank"-style format.

Email a 60-second video about your idea to [centerforinnovation@evansville.edu](mailto:centerforinnovation@evansville.edu) by Monday, April 8.

For more information, visit [www.evansville.edu/cc](http://www.evansville.edu/cc)

## THE UNIVERSITY OF CHICAGO

UChicago's Summer Session programs offer a wide range of academic and experiential opportunities for high school students. From digging for dinosaur bones in Wyoming to studying great thinkers in the nation's third largest city, students will have the chance to develop their passions and expand their horizons. As part of the Admissions Academy, included with every program, they can also learn the ins and outs of the admissions process at selective colleges.

Admissions for UChicago's Summer Session programs are rolling, so the sooner students submit their applications, the better chance of being placed into their top-choice course. Click [here](#) for more information.

## Smith College

Summer programs at Smith offer intellectually stimulating and unique opportunities for high school young women entering grades 9, 10, 11, 12 in fall 2019. Applications are evaluated on a rolling basis until programs are filled. The final deadline is May 1, 2019. Programs are closed once they reach capacity. For more information visit <https://www.smith.edu/academics/precollege-programs/our-programs>.

IEEE, the world's largest professional association for the advancement of technology, is hosting a TryEngineering Summer Institute in three different locations this summer. With programs at both introductory and advanced levels, the Institute is meant for students considering a range of engineering disciplines, as well as students with in-depth experience. For more details, contact Amy Recine at [a.recine@ieee.org](mailto:a.recine@ieee.org) or visit [TryEngineeringInstitute.ieee.org](http://TryEngineeringInstitute.ieee.org). Final registration deadline is Saturday, June 1.

This weeklong residential theology institute at Saint Mary's College is exclusively for girls entering their sophomore, junior, or senior years in high school.

- DEVELOP** your faith through theological instruction, reflection and discussion, and interactive learning projects.
- EXPLORE** your own beauty and learn to recognize yourself as beloved by God.
- ENGAGE** in service locally to learn about the issues that challenge many of our neighbors.
- UNDERSTAND** how to live out all that you have learned.

Visit [saintmarys.edu/Embody](http://saintmarys.edu/Embody) for more information. Application deadline is Monday, April 15.

Get a head start on college with **Johns Hopkins** summer programs. They offer one, two, and five-week classes. For more information visit <https://summerprograms.jhu.edu/>. Applications are reviewed on a rolling basis until courses have reached full capacity.

**INSpace Camp** introduces a new approach toward STEM education. Students explore new vehicles, suits, food, technology, and opportunities that the commercial space industry is creating. Every day of this five-day camp is packed with hands-on projects that include flying in aircraft, developing payloads for an edge of space launch, creating satellites and more. Click [here](#) to register and to learn more about the program.

### **Academy Day**

**Hosted by: Larry Bucshon, MD**

Learn more about the United States Service Academies, the application process, congressional nominations, and the everyday life of a Service Academy Cadet.

**When:** Saturday, April 27, 2019

**Where:** Vincennes University – Gibson County Center

**For more information:**

<https://bucshon.house.gov/constituent-services/military-academy-nominations.htm>

**Cornell University's** Summer College is one of the nation's longest running and most highly regarded precollege academic programs. It brings more than 1,500 academically talented high school sophomores, juniors, and seniors from around the world to the Cornell campus in Ithaca, New York, each summer for three- and six-week programs. This summer, Cornell will offer programs between June 22 and August 6 in a variety of subjects, ranging from architecture, business, hospitality, and engineering to international relations, science, social change, and veterinary medicine—and many more. For more information visit: <https://sce.cornell.edu/precollege/summer-college>. Deadline is May 3, but spots fill quickly.

## ROSE-HULMAN INSTITUTE OF TECHNOLOGY

Project SELECT is an immersive, hands-on science and engineering camp for high school students during the summer between their sophomore and junior years. Project SELECT will take place June 23-29, 2019, on Rose-Hulman's campus. Rose-Hulman professors will mentor students in specially-designed programs and with projects showcasing how science and engineering can solve demanding problems. Admission is selective, and spots are limited. Click [here](#) to learn more.

## U.S. Space & Rocket Center- Advanced Space Academy

Please follow link for more information about Advanced Space Academy [www.spacecamp.com/space/advancedacademy](http://www.spacecamp.com/space/advancedacademy) For tips and FAQs about the scholarship application, visit [www.spacecamp.com/help/faq/scholarship](http://www.spacecamp.com/help/faq/scholarship).

### **Summer Language Program**

The Indiana University Center for International Business Education and Research (IU CIBER) is offering a two-week program for high school sophomores, juniors, and seniors interested in experiencing the intersection of business, language, and culture.

Application deadline: April 10, 2019.  
Visit [go.iu.edu/6bw](http://go.iu.edu/6bw) for more info.

**MEET Kelley** is a one-week, pre-college summer program for promising high school students from underrepresented groups. Participants attend classes taught by Kelley faculty, collaborate with fellow students to present a business case, and build relationships with Kelley students and staff. Enrollment is completely **FREE**. Applications are due by April 15. Click [here](#) for more information and to apply.

### **University of Dayton**

The University of Dayton is offering summer engineering, entrepreneurship, and leadership programs for high school students. Click on the following for more information: [Engineering](#), [Entrepreneurship](#), and [Leadership](#).

**Furman University's** Summer Scholars weeklong academic enrichment program for rising high school juniors and seniors offers opportunities to study under the direction of Furman faculty members. Summer Scholars' challenging academic experience will include lectures, class discussion, debates, service learning, field trips, group and individual projects, and other activities. Deadline to apply is May 1. For more information click [here](#).

## **JUNIORS! Don't forget to sign-up for the SAT and/or the ACT**

**Note:** Colleges/universities require SAT or ACT scores to be on file by a certain date for admissions and/or scholarship consideration. Be sure to check with all prospective schools individually and note their deadlines.
