

SIGNATURE SCHOOL ANTI-BULLYING POLICY/POLICY PROHIBITING BULLYING 2021-2022

Signature School takes a proactive stance in creating a safe learning environment for all of our students. Respect, tolerance, and an appreciation of diversity are embedded in our curriculum and in our school climate. Incoming new students undergo an orientation during which they learn Signature's expectations for treating others with respect. Signature School has incorporated character education into its curriculum with Resource block, AP Seminar, and through the International Baccalaureate Programme.

Signature School prohibits and will not tolerate bullying whether it be verbal, physical or by way of the Internet (computer, cell phone, Twitter, Facebook, Instagram, Snapchat, and any other form of social media).

In accordance with its charter, Signature School keeps the student population small enough to enable teachers and staff to help prevent problems and to help students resolve their conflicts in a constructive manner. The administration and staff are committed to providing a safe environment for all Signature students and do not tolerate any instance of bullying in any manner.

Bullying Prevention/Education

- Signature School's Anti-Bullying Committee is a subcommittee of the School Safety Committee. This committee revises or updates the Policy Prohibiting Bullying.
- In-service training and professional development opportunities are provided to the staff to make them aware of the characteristics of bullying and to enhance the staff's understanding of bullying.
- The school conducts class meetings to help students understand what behaviors constitute bullying, the school's no-tolerance policy of bullying, and procedures for dealing with bullying.
- School rules and guidelines concerning bullying are discussed in an all-school meeting. Students are informed of the school's expectations for behavior and range of discipline against students who violate this policy. Copies of the school rules and guidelines and the anti-bullying policy are sent home with students. Parents and students are required to sign a receipt to confirm that they have received, read and understand these rules. The signed receipts are kept on file in the office.
