

# Signature School

Community Service Report & Reflection Form, 2019-2020

Name \_\_\_\_\_ 1<sup>st</sup> Period Room Number \_\_\_\_\_ Graduation Year \_\_\_\_\_

**Signature School's graduation requirement is 25 hours of service to school and community (in any combination) each year. Progress will be reported on semester report cards with "Pass" or "No Pass" at the end of every year.**

## SIGNATURE SCHOOL DEFINES COMMUNITY SERVICE AS:

- Assistance given to persons in need or causes who would not be able to help themselves or others without the assistance of volunteers like you.
- Assistance donated to Signature School for Signature programs, which will not appear on a student's transcript or resume. Note: Sig performance/sports/competition hours are not counted as service.
- Assistance donated (unpaid) to Sig approved non-profit organizations (see the list of approved organizations on the Sig website). Note: Hours donated to clubs/personal groups, religious or church activities, performance/sports activities, and service to private individuals will not be counted for Sig community service.

**You should seek out activities that are real and purposeful to you, whether in the Signature community or greater community, with significant outcomes that will extend you as an individual. We hope you will open yourself to new interests and learning, and we encourage you to personally engage with the populations you serve.**
