

Signature School

GLOBALLY FOCUSED • NATIONALLY RECOGNIZED • LOCALLY CONNECTED

COMMUNITY PARTNERS

If you want to serve an organization not included on this list, or if you are unsure if a particular service project will count, please apply for prior approval with Mrs. Atkinson

REMEMBER:

We define community service as real, purposeful activities with significant outcomes donated to a non-profit organization or activity. If you are volunteering at a hospital, patient interaction is preferred, but not required. All services to organizations that you are members of and/or tryout/audition for do NOT count towards the 25 hours required by Signature School. For theater productions, performance hours DO count but rehearsal time does not.

IMMEDIATE NEED

In the event of a fire, natural disaster, death in the family, etc., special relief organizations are formed. Students may participate in the cleaning/fundraising efforts, but first must be approved by Community Service Committee.

OTHER

Hospital work with patient/family interaction is strongly encouraged. Gift shop work will count. Signature volunteering for any staff member. (School-related)
