

Signature School

GLOBALLY FOCUSED • NATIONALLY RECOGNIZED • LOCALLY CONNECTED

COMMUNITY PARTNERS

If you want to serve an organization not included on this list, or if you are unsure if a particular service project will count, please apply for prior approval with Mrs. Atkinson.

REMEMBER: *We define community service as real, purposeful activities with significant outcomes donated to a non-profit organization or activity. If you are volunteering at a hospital, patient interaction is preferred, but not required. All services to organizations that you are members of and/or tryout/audition for do NOT count towards the 25 hours required by Signature School. For theater productions, performance hours DO count but rehearsal time does not.*

IMMEDIATE NEED

In the event of a fire, natural disaster, death in the family, etc., special relief organizations are formed. Students may participate in the cleaning/fundraising efforts, but first must be approved by Community Service Committee.

OTHER

Hospital work with patient/family interaction is strongly encouraged. Gift shop work will count. Signature volunteering for any staff member. (School-related)
